Assessor Comments

A wonderful line of Angus cows that display great breeding and have produced top quality Angus calves. Cows were calved down over a neat 9 week period, starting on the 1st January. Cattle were a delight to handle and offer a top 2 in 1 package. The cows are presenting to you in Forward/Store condition with sappy well doing calves at foot. Solid bodied cows with plenty of milk that are ready to be joined to your bull of choice. Cows with years of producing still ahead of them and calves that will continue to grow. Calves have been marked & 7in1. PLEASE NOTE: This is 1 of 3 lots that are running in the same mob. Cows and calves will be mothered pending the results of the sale.
